Dear Cheyenne Pierre- Paul,

Thank you for sharing your artwork with the world! Your participation in the New Jersey Department of Education's Student Art Installation Project: *Hope, Healing and Resilience Through the COVID-19 Pandemic*, represents the triumph of the human spirit through unprecedented times. The goal of this project was to provide students across New Jersey with an artistic opportunity to share the student pandemic experience. I am jubilant to share my deep appreciation for the authenticity of your submission. Your artistic efforts produced artwork appreciated for beauty, and emotional power. Being patrons of the arts has allowed us to share truly inspirational messages.

To that end, I am delighted to inform you that your artwork resides on the New Jersey Department of Education's [website](#) for the world to see, experience, and appreciate. Again, on behalf of the New Jersey Department of Education, thank you for your contribution in support of our collective healing.
