Program(s) Synopsis:

The **S.T.E.M program**: Through active, immersive activities, we explore the intersection of physics and sports in concepts such as **momentum and the kinetic transfer of energy**, and we connect math to sports by **examining stride percentages & baseball card statistics**. Program gets kids up and moving, and includes **LIVE** tour of the Museum and stories from the extraordinary life of baseball Hall-of-Famer Yogi Berra.

The **Poetry/Spoken Word Program** remotely includes fun, immersive activities, and an exploration of the intersection of Yogi-isms, Rap, Poetry and word play. Program includes **LIVE** tour of the Museum, student writing, student performance and stories from the extraordinary life of baseball Hall-of-Famer Yogi Berra.
