RE: New York Red Bulls and New Jersey Institute of Technology Donation via Goal for Perfect Attendance Program

To Whom It May Concern,

As part of the New York Red Bulls and New Jersey Institute of Technology Goal for Perfect Attendance program, the school with the second highest number of students' attendance will receive a \$5,000 donation to go towards a beautification project for their school.

The New York Red Bulls and New Jersey Institute of Technology have chosen the Newark Board of Education with the intention that the funds will be donated to their community partner, University High School.

Sincerely,
